

# Isaac Crane

Motive: Continue legacy of the late Nathan and Vincent Crane, the father and grandfather of the individual respectively.

Process: Working with Manuel Swingtail and Samantha Shell, build a new team and find new ways of raising the money needed to save the city. Remove the drug trades and prostitution rings created by the corrupt politicians of NYC.

Risk Level: Low, non-violent and peaceful.

Assistance: Needs strong front runner, someone willing to get hands dirty or give him the extra push. High potential if uninterrupted. Protect at all costs.

Benefit: Will without a doubt protect and rebuild NYC to pre-Sawtooth control. Highly valuable.
