

# Samantha Shell

Motive: Protect and rebuild NYC. (Reason could be interest in Isaac Crane or ulterior unknown motive. Then again she lives in NYC.)

Process: Assist Isaac Crane in daily meetings and Manuel Swingtail in redirecting money flow from pointless businesses created by Dragon and Sawtooth.

Risk Level: Medium. Smart and able to manipulate the emotional. Fairly friendly and positive. (Said that I'm a great listener.)

Assistance: Receiving support from Manuel Swingtail for side operations in helping the poor and the drug users in the city.

Benefit: Highly beneficial and able to communicate with all members of Sawtooth's operation safely. Perfect liaison and invaluable in rebuilding NYC.
