

Jack Dragon

Motive: Party and rob the city blind.

Process: Infiltrate city government and establish seat of power. Once in use the position to party and drink to content and then some. Build friendly relations in order to keep danger seekers from chasing him down. He also has an unknown hold on Warden of Hell's Gate Maximum Security Prison/ Commander of the Police Force Calvin Niner.

Risk Level: Extremely Dangerous. Approach with caution, sharpshooter armed with South African Denel-Mechem NTW-20mm (sniper rifle strongest in the world). If not protected by bodyguard he is well versed in several martial arts, although since always intoxicated this threat is fairly low.

Assistance: Do not assist.

Benefit: The individual only benefits himself and needs to be removed A.S.A.P.
