

Leo Justice

Motive: Coup de tat'.

Process: Remove Senator Richard Sawtooth, and Director of Urban Planning Jack Dragon from respective offices.

Risk Level: Extremely High. Powerful, smart, quick, high conviction and does not fear death, keep lookout until more is known.

Assistance: Convince Sawtooth he needs less protection and Dragon that a king doesn't need an army just a horse.

Benefit: With Sawtooth and Dragon out of power we can continue restoration of the New York City Boroughs.

What does Conviction mean to you?

Virtuous Acts coming April, 2013.
